

Effective Dua & Dua during pandemic

<https://youtu.be/cnqQh7jGYaM>

Summary

- Supplicate or make Dua as much as you can
- Ask Allah as much as you want, more than you want. In bad times as well as in good times
- Know how your Dua should be
- Know how to make your Dua effective
- Learn some Arabic, know what you are asking Allah
- Have hope and faith in Allah. Follow the Prophets advise, do your best, put all your energy and work hard. Let Allah decide.
- Accept that Allah is in control and everything is from Him.
- If our Dua is accepted, there's khair (خير), which means mean blessing or good in it. If it doesn't get accepted, it could either be a source of salvation in the hereafter or a way to ward off evil from us.
- Dua is a powerful weapon of the believer to fight all kinds of evil and all problems in life. At the same time, it takes us closer to Allah

Dua in times of pandemic

اللَّهُمَّ إِنِّي أَعُوذُ بِكَ مِنَ الْبَرَصِ وَالْجُنُونِ وَالْجُذَامِ وَسَيِّئِ الْأَسْقَامِ
Allaahumma 'innee 'a'oothu bika min al-barasi waljunon waljutham wa sayea
al asqami

O Allah, I seek refuge from leprosy, madness, elephantiasis, and evil diseases.
